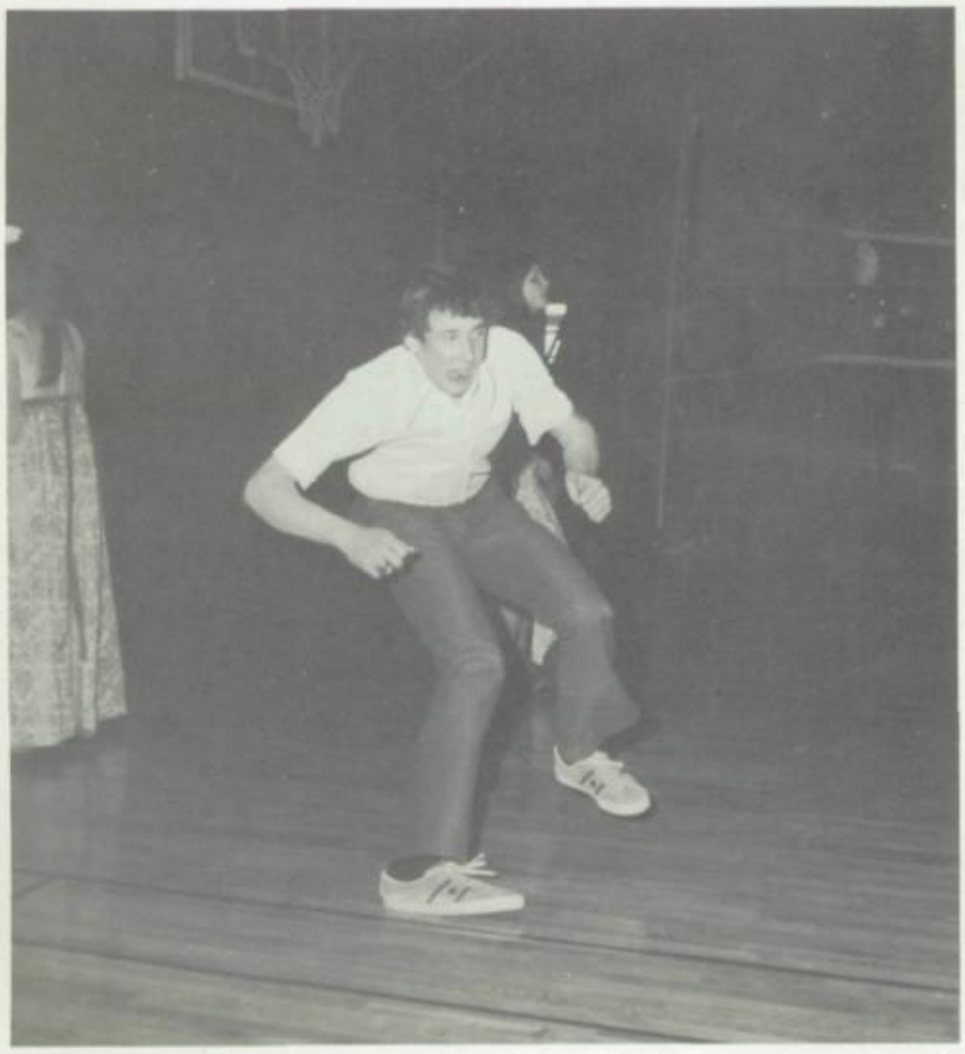
Why is your back to the camera, Sherry?

Ring around the rosey!

What are you guys doing in there?



"OUCH!!!"

Need a hanky, Dave?

Don't trip Doug.

What's that again, Sue?

Woops!

What a day!

Yuk!!!

Student Volunteers Perform Needed Service

Student help has been needed and used by the faculty and the office. Students do everything from detailed work to running errands. They do whatever needs to be done, giving of their free time. Our hats go off to these and all students that assist in keeping our school running smoothly. They are appreciated by all.

The Health Careers Club is composed of students interested in helping others for a career after high school. Over the year they have had several speakers and went on a field trip to Butler University in Indianapolis.

Later in the year, approximately half of the club participated in the program, "Adopt a Patient." This is a program where the students send letters, photographs, and visit their particluar mental patient. The students try to remember the patients' special holidays and birthdays.

The club had fun together, but the club is primarily a service club which tries to help the community.

Mascot Attracts Attention

Susan Cole was our Cougar mascot for the 1971-72 basketball season.

A mascot is important for the school spirit and has to be at every game. Susan was at every game and was an able mascot.

This was the first year Central Noble had a mascot, and we were glad we had one.

Susan helped the cheerleaders in leading cheers and always gave a handshake of encouragement to the boys before the game.

SENIOR HIGH PEP CLUB

JUNIOR HIGH PEP CLUB

Pep Club Supports Cougars

The Pep Club was led and advised this year by Mrs. Richard Krider.

She was the Health and Physical Education Instructor at the Junior High this past year.

Approximately forty girls were in Pep Club this year.

Also there was a boy's Pep Club comprised of nearly twenty boys.

We cheered our boys on, and sold ribbons at the games for people to wear.

Also we learned motions to several victory chants.

Many times the people who have special learning problems are ignored because the schools have not the time or facilities to give these people a chance for education. The need for these people to be educated is just as great as for any other person. Here at Central Noble the special education program is designed to cater to the educational needs of these students. In this program each student is allowed to work at his own level and pace. We feel that this makes equal opportunity in education a reality at Central Noble.

WINNING SEASON

The Cougar Golf team posted a 16-9 record in dual matches for the 1972 season. In tourney play the cougars finished fourth in the 21 team Central Noble Invitational, second in the NECC Conference meet, third in the Eastbrook Invitational, fifth in both the Northwestern Invitational and the sectional. With only one man graduating from the squad the experience gained for the next year should be a big asset.

One of the highlights of the season was the spring trip to Maryville, Tennessee. The team enjoyed sight seeing and lots of golf at the Wallace Hills Golf Course there. The team found a true friend in owner Pro - Bob Phipps, for without his camper some might not have been able to stay dry. His hospitality was really - Southern Style.

The most valuable golfer award went to Kirk Hanaway who posted a 39.8 average in all meets. Most improved award went to junior Terry Schlotterback. NECC medalist award to DeLynn McWilliams. All NECC team members DeLynn McWilliams and Kirk Hanaway.

TRACK

FRONT ROW: Jim Parkison, John Claphan, Kent Hague, Jim Dailey, David Buchmeier, Joe Robinson, Kevin Clouse.
SECOND ROW: Mr. Chandler (Head Coach), Bill Luckey, Hal Pearson, David Gawthrop, Paul Buchmeier, Jim Gray, Tom Carlisle, Jim Might, Mr. Teegardin (Assistant Coach).
THIRD ROW: Kerry Dunfee, Jeff Wysong, Rory Parkison, Jim Sickafoose, Tim Brower, Kirk Hanaway, Bill Kesling, Kevin Stump, Glen Fulk.

The track team watches the game!

Is it the Pepsi that helps you run better, Tom?

BASEBALL

FRONT ROW: David Moore (Batboy), Jim Grey, Rick Anderson, Larry Ott, Jim Dailey.
SECOND ROW: Hal Pearson, Kim Lawson, David Gawthrop, Lynn Sickafoose, Ryan Troyer.
THIRD ROW: Dave Erdly, Jim Sickafoose, Doug Winebrenner, Bill Luckey, Ed Anderson, Herb Anderson, Mr. Joel Moore, Coach.

The track team and the baseball team confer at Prairie Heights. The track team won out and the baseball team lost.

Larry Ott into home at the top of the sixth to tie it up at two all. We lost the game, 3-2.

Bill Luckey, record holder in the long jump, grimaces with effort.

Just missing the bar, Hal Pearson pole vaults at Prairie Heights.

Tim Brower breaks the ribbon for Central Noble.

Jim Sickafoose showing the form that gave him the school record in low and high hurdles.

Mr. Robert Moorehead
March 17, 1932-September 15, 1972

Robert Moorehead's sudden and tragic death has made us all losers. He was not only librarian and teacher, school newspaper and yearbook advisor, but friend and confidant as well.

He loved books with a passion and a thoroughness few could equal. Our beautiful Instructional Materials Center is the result of his careful and far-sighted planning. Perhaps it should bear his initials rather than I. M. C., reflecting the countless hours devoted to this project.

Anyone who needed a friend was his friend, and he always had time for his friends.

"Hail and Farewell, he was well beloved."

Dale Guthrie
February 9, 1910-September 9, 1971

Mr. Guthrie graduated from Albion High School. He went to Indiana Central College for a year or so. He next attended North Manchester from which he later graduated. He began teaching when he was 17. His first teaching position was in the country schools in Noble county where he taught until they were closed. Mr. Guthrie went to York Center and taught there for 25 years. Altogether he taught school for 44 years. Mr. Guthrie also was the basketball coach for 20 years. In addition to his teaching, Mr. Guthrie also was a score-keeper for the state for 20 years in the Noble County Sectionals.

During his life he loved to come into contact with children and young people. Mr. Guthrie was a man who gave of himself and never asked for anything in return. As a gentleman once said, "He could put on a pair of striped overhauls and he could be just as proud in them as he was in a suit."
